Dear Parents,

We are pleased to invite all parents of Year 10 and 11 students to attend a special information evening on Wednesday 11th October, 2017 the aim of which is to provide information on how to support your child through their GCSE courses. The event will start at 6.00pm and last for about an hour.

You will hear about a number of recent initiatives which will impact on your child's learning at GCSE, as well as receiving a booklet with details of you can support your child through their GCSE years.

The main focus of the evening will be explain the changes for A*-G to 9-1, independent learning, mock exams, college applications and work experience. You will also receive tips, ideas and strategies on how to help your child work through the GCSE courses, revise and prepare for examinations. While students will be hearing about these issues throughout their exam courses and from their form tutors, they are welcome to come along to the event and get a head start.

If you would like to attend on 11th October, please complete the slip below and return it to school through your child's form tutor by Monday 9th October. Alternatively a reply can be sent to mfederici@northlondongrammar.com
