Dear Parent/Guardian,

Re: Two vacancies for the NLGS Board of Governors

I am writing to invite anyone interested to apply to become a North London Grammar School Governor. There are two positions available.

1. A Parent Governor
2. A Governor with Education, Finance or Legal skills and background

To become a Parent Governor will give you the opportunity to provide the vital role of bringing a parental viewpoint of the school to each meeting. If you, or someone you know would be a suitable candidate with Education, Finance or Legal skills, please apply for the second position.

If you are interested please write a statement giving your background and reasons for applying for the first or second position to my e-mail address hgokce@northlondongrammar.com

I look forward to receiving your applications.

Yours sincerely,

H. Gokce

Headteacher
