

NORTH LONDON GRAMMAR SCHOOL ATTENDANCE AND PUNCTUALITY POLICY

Introduction and Aims

Poor attendance disadvantages children. We aim to ensure that the children in our school attend regularly and on time, and where this is not the case, staff follow a staged procedure designed to encourage consistent attendance.

While 100% attendance is clearly the ideal, in many cases legitimate illness or other factors can prevent it. Such attendance is, where it occurs, is clearly "excellent". On the other hand, attendance, which falls below 90%; where a child is known to be in reasonable health and there are no other extenuating circumstances, is poor and should give cause for concern. In order to ascertain the levels of individual children's attendance, we aim to ensure that a complete register check is undertaken daily ad weekly, and where there is cause for concern, appropriate action shall be taken.

As a school, we recognise that regular school attendance and punctuality are most important. Without them the best efforts of teachers will come to nothing. Pupils need to attend school regularly if they are to obtain the full advantage of educational opportunities available to them. Irregular attendance undermines the educational process and leads to educational disadvantage. It may, in addition, place the pupil at risk.

Although parents are primarily responsible for ensuring that their children attend school, we give our full support to parents in this undertaking and try to avoid non-attendance of any pupil. The school has to make the decision whether an absence is authorised or unauthorised; parents cannot make this decision.

School aims to publish our overall average attendance, and our figures for unauthorised attendance by year group, in the Senior Management Team Annual Report to parents. In addition we are obliged to make our attendance figures known to legitimate agencies (e.g. the DFE and the Borough) by completing appropriate returns.

Finally, we aim to ensure that school registers, on which these returns depend are kept accurately, and that the criteria by which we judge absences as authorised or not are common and known to all class teachers.

Holidays During Term Time

Absence during term time can seriously affect a pupil's progress. Pupils will only be given permission to take holidays during term time in exceptional circumstances.

Any request for permission to take a pupil out of school for a

holiday should be in writing to the Headteacher and this must be done before the holiday is booked.

Medical and dental appointments should not be made during school time, if possible.

Attendance Registers

The attendance registers should be kept in KSM or on paper when there is no access to KSM. Teachers are required to complete the register at the beginning of each session every day, and return it to the office at the end of each registration period if KSM is not accessible.

Morning and afternoon registration periods are an important part of the school day and should be seen as such by both teachers and pupils.

Staff should pay particular attention to accuracy and follow the Legal Requirements For Registration when marking the online or paper registers.

Parents must telephone the school office on the First Day of Absence, giving the reason and probable length of absence. On the pupil's return to school a letter confirming the absence must be given to form tutors. Without this the absence remains unauthorised.

Responsibility of the Form Tutor

- a. Taking the attendance during the form time every morning.
- b. Liaising with admin team for absent students and contact parents when necessary.
- c. Ensuring that the students will receive the missing lessons and homework especially during longer absenteeism.

Pupils Who Need To Leave The School Premises During The School Day

Pupils in Years 7-11 are allowed to leave the school premises during the school day only if a request, in writing, from parents is received and approved by the school.

Acceptable Reasons

- a. Visit to the Dentist/Orthodontist, Hospital, Doctor, Chiropodist.
- b. Family funeral.
- c. Special occasion e.g. music, dancing exam, and interview.

Pupils leaving the premises during the school day must obtain an 'EXEAT' card from the Headteacher, Deputy Headteacher, Assistant Headteacher or Head of Pastoral Care. No pupil is allowed to leave class without showing an EXEAT card.

Punctuality

Punctuality needs to be continually encouraged amongst pupils.

For school purposes, a pupil is late if they are not in line by the second bell in the morning or not outside the form by the time the form tutor arrives. Sanctions should be taken for lateness on this basis.

For official purposes, a pupil is late if they arrive after the register is taken by the form tutor. Registers should be taken immediately after the second bell, if going to an assembly.

Pupils arriving after morning registration or afternoon registration must report to 'Reception' and be given a 'late slip'. This should be shown to the class teacher but retained and given to the form tutor at the next registration.

For statistical purposes pupils arriving after 10.00am or 2.00pm are given (L) which is classed as an authorised absence.

Absence Follow Up

Procedure for Years 7 – 11

- a. Absences to be identified instantly by Form Tutors on KSM.
- b. A letter or message using Parentmail platform is sent to parents by the Form Tutor requesting explanation about unexplained absence after 2 consecutive days' absence.
- c. Form tutor to visit the home of the absentee as and when appropriate.
- d. Absence notes to be kept in a file for a term.
- e. Absence notes to be checked by admin team but any queries to be referred to Form Tutors.
- f. A standard letter is sent to parent/guardian of pupils who are absent for odd days without explanation.

Form Tutors must maintain constant supervision of attendance. Any concern or persistent absentees must be reported to the Assistant/Deputy Head Teacher.

Truancy

Any pupil truanting must be:

- a. Interviewed by the Form Tutor or Head of Pastoral care to try to find out the reason. If possible parents should be involved.
- b. Monitored to ensure work is caught up.
- c. Placed in after school detentions equivalent to the number of days missed, up to a maximum of four.
- d. Reported immediately to the Headteacher.
- e. Attendance monitored carefully in the future.

Internal truancy including dinner time should be dealt with in the same way as above, including after school detentions.

Attendance to classes should be monitored by weekly report with subject teachers initialling the report to prove attendance.

If a pupil is off site at dinner time more than once, he/she should report to a member of SLT every 15 minutes: 12.30 pm, 12.45 pm, 1.00 pm and 1.15 pm for at least 3 days.

In all cases, parents must be informed.

Punctuality Follow Up (Lates In This Case Are 'School' Lates)

NB In the case of school buses being late, i.e. through no fault of the pupil, sanctions must not be taken against pupils. Pupils' missing their bus is not a legitimate excuse.

- a. If pupils are late two or more days in any week or three days in two weeks a lunch time detention should be given.
- b. If a pupil is late more persistently than this the Assistant/Deputy Headteacher should be informed. A letter should be sent to parents asking them to ensure the pupil arrives at school on time. One after school detention should be given for every two days late after a warning.
- c. If punctuality does not improve after two weeks the Form Tutor should:
 - i. ask Headteacher to take action
 - ii. write or telephone parents to invite them into school to discuss the situation
- d. If punctuality continues to be a problem, discuss the case with the Head of Pastoral Care.

Pupil Returning To School after Long Absence

Each pupil may be different in their needs when returning to school after a long absence due to illness, or truancy. Form Tutors should discuss the pupil's re-integration with the pupil and his/her parents before the pupil returns to school. Arrangements need to be made to:

- a. enable the pupil to catch up with work
- b. re-establish or establish friendship groups and monitor progress closely

Encouragement Of Good Attendance And Punctuality

Pupils should be encouraged to maintain good attendance and punctuality, especially by their form tutors.

Certificates for 99% attendance, 99% punctuality and less than 5 days absence (very good attendance) should be awarded at least annually.

Roles and Responsibilities

The class teacher is initially responsible for encouraging good attendance, seeking out reasons for absence, keeping the register correctly, and referring children for whom concerns exist.

The Home/School Worker has a responsibility to liaise with teachers and AHT, and when a referral has been made, shall decide in consultation with the AHT and teacher, a course of action. This may involve home visits and or writing letters home.

The AHT has oversight for whole school attendance. She is responsible for checking the registers, for communicating with parents where clear concerns exist, for keeping the Headteacher briefed about attendance issues, for completing statistical returns for legitimate agencies as and when they are required, and for keeping records of concerns.

The school's Designated Safeguarding Lead is responsible for dealing with statutory referrals.

Monitoring Of Attendance and Punctuality

- a. Form tutors must check for patterns and likely problems on a daily basis.
- b. AHT must check registers, at least once a week to check for patterns and likely problems. AHT discuss attendance and punctuality with the designated safeguarding lead weekly.
- c. The Head of Pastoral Care must monitor attendance and punctuality termly.
