Please support your child through this important period by ensuring there is ongoing revision, practice and reviewing of past papers with mark schemes and regular revision of topics at home. In addition, it is also advised that removing gadgets from their bedroom after 10pm (tablets, phones and computers etc.), eating fruit and keeping well hydrated as well as taking regular breaks can assist with concentration. Details for further revision techniques can be referred to the booklet issued in the Year 11 Consultation Evening. **Furthermore, All Compulsory Interventions must be attended unless formally informed to myself.** Should you require any further detail about the above examinations, please feel free to contact me on email on [omsalahuddin@northlondongrammar.com](mailto:omsalahuddin@northlondongrammar.com).

Yours Sincerely

Omar Salahuddin
