Dear Parents and Guardians

RE: After School Clubs for students using the school bus.

Year 10 Students who are not studying Computer Science GCSE have a number of options from 3pm to 4pm on Tuesdays, Thursdays and Fridays. The students who use the school bus service must attend an after school club each day which will not incur any charge*.

Included in your choice **MUST** be to attend **at least ONE** homework clubs per week.

Timetable for the After School Clubs

Tuesday	Thursday	Friday
Homework	Homework	Homework
PE	PE	Book
STEM	Art	Astronomy
Film	French	Additional English

*Astronomy - (Only open to students from Year 9 and 10 - This is a GCSE course and must be attended for 2 years). There is a £90 charge for the Astronomy qualification per year.

They also have the option of making their own way home at 3pm, but this is at your discretion. We cannot reimburse students who decide to not use the service in the afternoon.

If your son/daughter has committed to a club it is compulsory that they attend. In the event that they cannot attend we will require a letter stating the reason.

Many Thanks.
