Dear Parent/Guardian,

Re: Careers Skills Check using the National Careers Service

We are encouraging all our year 11 students to stay after to school on Thursday 28th September 2017 from 4:15pm to 8pm to take a careers skill check using the National Careers Service which will give an important guide for their future career.

This Careers Skills Check is not just useful for future job applications but also useful for university applications and positive future life skills and will make suggestions for further improvements in the future.

Using this Careers Skill Check is very important for our year 11 students and we hope that you will support them by giving your permission for your child to attend this special event to establish their career potential.

I would be grateful if you could fill out the reply slip and ask your child to hand it in to myself or reception.

Thank you for your continuing support.
