

18th September 18

Dear Parent/Carer

Re: Post 16 Visits and Interviews

This year we would like our students to make an early start researching about their post 16 courses at sixth form/college.

We would like our students to think about their aims and the processes required to achieve their goal. This maybe to research about GCE A-Levels, BTECs and Apprenticeships. Our Year 11 Form Tutors, Ms Fazil (11S) and Ms Mitchell (11B) will be discussing the options available in post 16 as well as career pathways. Please support your child with this by discussing; subject preferences, academic and career goals as well as 6th form/college choices.

In order to attend an open event (day/evening) or interviews, your son/daughter will be required to complete an online request form **48 hours** prior to the appointment for approval purposes. Please use this link [here](#) or go to our Parental Portal to access the link for [College/University Visits & Interview Requests](#) to request leave for 6th form/college open event or interview.

I have devised a small list below with some information about some possible open dates and deadlines for application for 6th form and colleges.

| Name | Borough | URL | Open Event | Application Deadline |
|----------------------------|----------|---|--|------------------------|
| Alexandra Park School | Haringey | https://www.alexandrapark.school/ | 27/09/18 6-8PM, 01-02/10/18 9.30AM-10.45AM | Please Contact College |
