## 1. Rationale

---

North London Grammar School is committed to safeguarding and promoting the welfare of young people and all staff and volunteers.

Personal, Social and Health Education (PSHE) at Key Stage 3, 4 and 5 endeavours to help pupils to lead confident, healthy and responsible lives as individuals and members of society.

Through work in lessons and a range of activities across and beyond the curriculum, pupils gain practical knowledge and skills to help them live healthily and deal with the spiritual, moral, social and cultural issues they may face as they approach adulthood.

PSHE gives pupils opportunities to reflect on their experiences and how they are developing. It helps them to understand and manage responsibly a wider range of relationships as they mature and to show respect for the diversity of and differences between people.

It also develops pupils' well-being and self-esteem encouraging belief in their ability to succeed and enabling them to take responsibility for their learning and future choice of courses and career.

PSHE at Key Stage 3, 4 and 5 builds on the pupils own experiences and work done in Key Stage 1 and 2. It also compliments Life lessons on the school curriculum covering areas such as issues in politics, the law, family, the environment, relationships, British Values, e-safety, self-awareness , Protected Characteristics and the media.

To develop interests and skills that will continue to give personal satisfaction in the use of leisure time.

To establish partnerships between the school and the community it serves and help to develop an understanding of the wider community and the ways in which individuals and school relate.

To develop a curriculum which enhances pupil's knowledge and experience and allows them to learn about themselves and the society in which they live, through a variety of social and moral issues.

To provide pupils with the experience of school as a caring, supportive community where life is enjoyable and there is equal provision of opportunity, regardless of gender, race, culture or ability.

Aspects of PSHE could be delivered by staff during lessons and specifically by outside agencies who are specialists in their particular field. The specialists will include Health Professionals, Police, Fire Brigade, Politicians, Magistrates, Theatre Groups and Barnet Young Peoples Services.

Good teaching will use a variety of methods during lessons and across various units of work. All staff are encouraged to use a variety of flexible, active learning methods:

- Stating what is to be learnt and what the teacher is looking for (Walt/Wilf).
- Good questioning skills.
- Ground rules.
- Working together.
- Understanding another point of view.
- Reflection, review and evaluation.
- Role play.
- Discussion and debate.
- Voting.

Every effort will be made by all staff to include all pupils in every lesson regardless of ability. Teachers will use a variety of techniques to include all pupils and every effort will be made to adapt each lesson to include pupils with differing learning styles.

### **2.1. Answering Difficult Questions**

Teachers will be careful to ensure that their personal beliefs and attitudes do not influence the teaching of PSHE.

No teacher or pupil will be expected to answer personal questions.

No one will be forced to take part in a discussion.

The meaning of words will be explained in a sensible and factual manner.

### **2.2. Assessment**

Assessment will take place in the classroom as is appropriate to the task being undertaken.

In oral work or role play this may be simply an observation of the learning outcome.

In some cases there may be written evidence.

Self and Peer assessment will be actively encouraged and pupils allowed time to reflect on their progress and achievement.

Teachers will provide written feedback at least twice a half term.
