- 2.12. To ensure that praise, encouragement and rewards are used effectively to promote achievement. (Appendix 1.3)

3. Procedures

3.1. The Code of Conduct sets out clear expectations of students. It is supported by the Rewards and Consequences system. The Code of Conduct and the Rewards & Consequences ladders are made available to all staff, parents and students to promote excellent behaviour.

3.2. Procedures for application of these systems are the same as those applied in KS3 to KS5.

3.3. Responsibilities of staff in implementing procedures to ensure that excellent behaviour is maintained are outlined below:

3.3.1. Senior Leaders

- The Senior Leadership Team (SLT) will lead behaviour management and give support in its implementation.
- SLT will undertake quality control monitoring of departmental policies to ensure rigour and uniformity of sanctions and rewards.
- SLT will undertake work scrutiny and lesson observations to ensure effective implementation of the Behaviour Policy.
- SLT will manage C4 Leadership detentions.

3.3.2. Curriculum Leaders

- Curriculum leaders will ensure that all teachers carry out their responsibilities with regard to the Behaviour Policy. They monitor behaviour and the use of the Rewards & Consequences system and support colleagues where necessary.
- Curriculum Leaders will organise C3 detentions in line with the Consequences Ladder. They will ensure that this is recorded on KSM by 5.00pm on the day of the incident and ensure that parents are informed
- During department meetings, discussions regarding Rewards and Consequences in relation to the development of teaching and learning will take place on a regular basis.
- Curriculum leaders will ensure that all department policies related to behaviour management are written in line with the school Behaviour Policy.
- Schemes of work and individual lessons plans promote excellent behaviour and effective learning by including a variety of short term differentiated learning activities.

3.3.3. Curriculum Leaders

- Teachers will differentiate all class work and homework appropriately to challenge students, progress learning and deter poor behaviour. They will provide a variety of tasks during lessons.
- Where appropriate, teachers will set regular, meaningful home learning tasks to support classroom learning. This must always be recorded in the student planner.
- Subject Teachers will organise subject C2 detentions in line with the consequences ladder for students in Key Stage 3 to 5. They will ensure that this is recorded on KSM by 5.00pm on the day of the incident and ensure that parents are informed.

- Teachers will give students feedback about their learning regularly in line with the school and departmental marking policies to encourage positive attitudes to learning and behaviour.
- Teachers will give regular praise, encouragement and rewards in line with the Rewards Policy.
- Lessons must be well organised and as far as possible:

Staff and students should arrive punctually to lessons

- Students should not enter teaching areas unless staff are present. Key Stage 3 and Key Stage 4 students should line up outside classrooms in an orderly, quiet manner.
- Regular classroom routines should be promoted – e.g. students enter the classroom, take out equipment, put bags away, wait quietly behind chairs to be greeted by the teacher and asked to sit.
- An attendance register must be taken within the first fifteen minutes of the lesson start time.

Lessons should commence promptly, with all students attentive.

Resources should be ready and prepared for the start of the lesson.

- Lessons should always be concluded in an orderly manner and students dismissed by the teacher.

Classrooms must be left free from litter and in good order for the next class.

- The following are examples of strategies that could be used to deal with any behaviour issues that arise in lessons:

- Eye contact
 - Smiling and use student names to build a rapport
 - Verbal warning
- Change of seat
 - Speaking quietly on a one to one basis when the rest of the class is working
 - Use of seating plan
- Additional work
- Use of student planners for notes to parents
- Speaking to the student at the end of the lesson

Teachers remain calm and focus on the behaviour being wrong rather than the person, use language to promote a focus on work and give praise as soon as possible.

- If a student chooses not to rectify their behaviour following the initial verbal warning or if they fail to comply with the Code of Conduct, the Consequences System will be used and recorded on the school database (KSM). Examples of misdemeanours that must be recorded in the consequences system are listed in the Consequences poster in the appendix.... Those

which a subject teacher is likely to use in the classroom include:

- C1 – Verbal warning e.g. for lack of equipment
- C2 – detention for continued C1 behaviour (for students in Key Stage 3 to 5)

It is the responsibility of the staff member issuing the consequence to record the incident in full in KSM by 5.00pm on the day of the incident so that information can be shared with parents.

- Students should not normally be let out of a lesson, except in the case of an emergency. In such instances, a student must be given a 'Permission to Leave Class' card.
- Any issues of concern identified by teaching assistants should be discussed with the subject teacher and acted upon accordingly.
- Students in Key Stage 4 and 5, who experience difficulty with course work may be asked by their subject teacher to attend "coursework catch-up" on a Friday after school. These sessions are supportive, rather than punitive, and are not recorded as a sanction. However, should a student fail to attend then a C4 detention will be issued.

3.3.4. Form Tutors

- Form tutors monitor attendance, punctuality and home learning and take appropriate action if concerns arise. This includes contacting parents via letter, email or phone. Student planners should be checked weekly
- Form tutors receive information from the Data Team about the rewards and consequences issued to members of their form so they can implement early intervention strategies for support and/or praise.
- Form tutors set and review appropriate targets in relation to behaviour and attendance regularly. Progress against targets may be monitored by using a form tutor report.

3.3.5. Key Stage Leaders and Mentors

- Key Stage Leaders and Mentors will work together to:
 - Monitor and manage Consequences. (Students receiving a Consequence the previous day are monitored and students that have received persistent C1s and C2 are identified.)
 - Organise C3 detentions and inform parents (with administrative support).
 - Refer students who receive repeated C3 detentions to the SLT Head of Key Stage. Inform parents when students are issued with C4 detentions
 - Manage students in isolation.
 - Communicate with parents about interventions in order to build a relationship of trust and to improve outcomes for students. Inform parents of students receiving isolations that receiving persistent isolations puts them at risk of exclusion.
 - Set targets for students and review their progress in order to improve behaviour.
- Key Stage Leaders will ensure that form tutors carry out their responsibility to monitor students in their form and provide praise, support and interventions as required.

- If, following form tutor action, further misdemeanours occur or there are on-going concerns, the Key Stage Leaders may use any of the following strategies:
 - Letter home/phone call
 - Students is placed on report
 - A Pastoral Support Plan (PSP exemplar in appendix)
 - A further specified sanction
 - Parents invited in
 - A CAF (Common Assessment Framework: integrated practice meeting and monitoring for use when more than one internal agency is involved with a student)
- Internal and external support mechanisms are selected to meet individual student needs.
- Mentors and Key Stage Assistants work with the SLT Head of Key Stage/other members of SLT to resolve issues relating from serious breaches of the Code of Conduct.
- Major offences for example bullying, abuse of staff or drug related incidents may be directly referred to SLT or the Head Teacher as appropriate. It is then the responsibility of the SLT Head of Key Stage and the Form Tutor to resolve the problem, implement consequences and give support to the student. Targets and a review date may be set. Examples of sanctions that may be used are listed in procedures 3.3.
- SLT and Mentors will monitor the behaviour of students in a year group and will advise when students should be excluded from school trips. All students are allowed to apply to attend any school trip, but may be excluded due to evidence of the following:
 - Anyone excluded from school for more than two days in the current or previous academic year.
 - Poor behaviour record – to be agreed with the SLT Head of Key Stage and the trip co-ordinator.
 - If parents arrive late to pick up their child from a school trip, the child may be excluded from future trips. A letter is be sent home to confirm this.
- Anyone at the Head Teacher’s discretion, in exceptional circumstances.

3.4. Procedures for the consequences system and sanctions arising from it are as follows:

3.4.1. Consequences System

- The consequences table in the appendix summarises the levels, gives examples of behaviour and indicates the consequences of failing to comply with the school Code of Conduct in Key Stages 3 and 4. The levels in the system are also outlined below:
 - C1 – Verbal warning
 - C2 – Detention up to thirty minutes
 - C3 – After school detention 1 hour
 - C4 – Leadership Team 2 hour detention
 - C5 – Isolation
 - C6 – Fixed term exclusion

- C7 – Permanent exclusion

- C1 - A verbal warning is issued prior to a C1 consequence being recorded in KSM
- C2 detentions may be carried out by subject teachers, Mentors or Key Stage Assistants during lunchtime. Students who fail to attend homework detentions will be placed into an after school C3 detention. Students receiving persistent C1s and C2s are and issued with a C3 detention.

3.4.2. C3 Detention Procedure

- C3 one hour detentions are managed by the Key Stage Assistants and/or Curriculum Leaders or Heads of Key Stage. A KSM detention is created and email to parents is produced.
- One member of Senior Leadership Team (SLT) will support the detentions each day. If a student disrupts the detention the member of SLT must be notified immediately and they will be removed from the detention room. The member of SLT will then impose a C4 detention.
- Students will participate in pre-organised and age appropriate work in silence from 4pm – 5pm. Key Stage 4 and Key Stage 5 students may be asked to complete work for examination courses during a detention. Subject Leaders may take the opportunity to discuss the issue that led to the detention being issued.
- At the start of the detention, bags and mobile phones must be handed to the person taking the detention. In certain instances a community detention may be issued, where students are assigned tasks to improve the school environment, such as litter picking or removal or graffiti, in order to give something back to the school community.
- Students who fail to attend a C3 detention are issued with a C4: 2 hour SLT detention.

3.4.3. C4 Detention Procedure

- Key Stage Leaders will notify parents by phone or a meeting if students are issued with C4 detentions.
- C4 detentions are supervised by SLT and take place for 2 hours on a Friday from 4.00pm until 6.00pm. Students placed in a C4 detention are also excluded from Enrichment on a Friday afternoon.
- Misbehaviour, or failure to attend a C4 Friday night SLT detention without prior written notice, will result in a C5 isolation the following Monday (or the students next day in school) and a two hour after school detention on that day. This detention will be supervised by a member of the SLT from 4.00pm until 6.00pm.
- Further details about detention policy can be on the detention policy.

3.4.4. C5 Isolation

- The Key Stage Assistant and/or the SLT Key Stage Leader will telephone the parents and send a letter to explain the reason for the isolation.
- The Key Stage Assistant and/or the SLT Key Stage Leader will select a date for the isolation and notify teaching staff of the need to provide work for the day.

- At the start of the day of isolation the student is required to register with their form tutor and then report to the Key Stage Assistant and/or the SLT Key Stage Leader.
- Throughout the day the student will carry out work in isolation in locations organised by the Key Stage Leader or Mentors. The locations may include:
 - Desk outside the office of SLT or Key Stage office. Desk in student reception area
 - Desk in a KS5 lesson
- At break and lunch time a student in isolation will not be permitted to mix with their peers. They will need to bring a packed lunch or they will be taken to the dining hall to buy food.
- Supervision will be organised by the Key Stage Assistant and/or the SLT Key Stage Leader.

3.5. Student Reports

A three-tier 'traffic light' system operates at North London Grammar School in order to monitor the progress of students who are causing concern, as identified by the Form Tutor, Curriculum leader, Head of Key Stage or Head Teacher

3.5.1. Green Report – used by form tutors to monitor students on a lesson-by-lesson basis, signed by the teacher and parents. The form tutor checks the report weekly. The student should not be placed on a yellow report for more than a fortnight without a progress review.

3.5.2. Yellow Report – significant concerns about student progress, attendance, punctuality and/or behaviour in a number of subject areas. Form Tutors and parents daily. Parents are advised of the nature of the report via letter and/or telephone. Copies of all correspondence should be placed on the student's file.

3.5.3. Red Report – very serious concerns about general attitude, in response to a serious behaviour issue, following a fixed period of exclusion and/or behaviour concerns in a number of areas. Parents are advised and the report monitored daily by a member of SLT and parents. Failure to achieve a positive report could result in immediate detention after school, a senior leadership detention, internal exclusion, or a fixed period of exclusion. Copies of the report should be placed on the student's file.

3.6. SLT Call Out:

3.6.1. SLT callout is provided to support staff as part of the school's behaviour management procedures. To operate effectively, it must be used appropriately. It is used when a real crisis arise which is defined as when:

- A student poses a real threat to the safety of themselves or others.
- A student's behaviour persistently and genuinely prevents teaching and learning from taking place.
- After all other reasonable strategies to manage the behaviour within the lesson and department have failed.

3.6.2. How to access Senior Leadership callout:

- A responsible student should be sent to the school office to request SLT support.

- The member of SLT on duty will be alerted by staff in reception and will go directly to the classroom.
- The member of SLT on duty takes the student to a venue such as their office or empty classroom where work is undertaken, with appropriate supervision.
- The member of SLT ensures that the KSM behaviour log is updated with a C4. [In exceptional circumstances after discussion with the HoYs a decision may be taken to not issue a C4.]
- The student completes a Reflective Detention Sheet (Appendix 1.6). This is then passed to the Curriculum Leader and the HoY for reference.
- The issues of concern, which led to the SLT call, are discussed and the student encouraged to take responsibility for their actions. Restoration of relationships between staff and students takes place prior to reintegration into the lesson. This may be managed by the Mentors, Key stage assistant or member of SLT as appropriate.
- Where there is persistent and cross-curricular disruption, the Head of Key Stage contacts home and a behaviour report is considered.

3.7. Serious Incidents

Serious incidents will be dealt with by the Head Teacher, Deputy Headteacher, or SLT Head of Key Stage. Parents will be informed, Sanctions that may be considered are:

- Review of parental
- agreement/partnership Temporary, fixed
- term exclusion

Red Report monitored by a member of SLT

- Isolation from peers at break/lunch and supervised by a member of
- SLT Fixed period of time in isolation

Community Service around the school

- Set up a Pastoral Support Plan and add to the Learning Support register Permanent exclusion

3.8. Fixed Term Exclusion

3.8.1. Students may be given fixed term exclusion for serious breaches of behaviour. Examples of reasons for exclusions are given on the Consequences Ladder in the appendix, although this is a non-exhaustive list.

3.8.2. A fixed term exclusion can be given for up to 45 days in one academic year.

3.8.3. Work MUST be set for the period of exclusion.

3.8.4. Parents are requested to attend an interview on the student's return from fixed term exclusion with the Year Team leaders and/or the member of SLT responsible for the Key Stage. A summary of the discussion should be relayed to the form tutor.

3.9. Permanent Exclusion

The Consequences Ladder in the appendix outlines the list of misdemeanours, which is non exhaustive, which the Governors feel could merit permanent exclusion, though each case will be dealt with on an individual basis:

- Racial harassment Sexual harassment Extremist behaviour
- Persistent bullying and intimidation Possession of illegal substances

Selling illegal substances

- Possession of articles which could be used as offensive weapons Theft by student of school property

Malicious damage to school property

- Conduct which brings the good name of the school into disrepute when travelling to and from school in uniform, or whilst representing the school in sporting events or as a member of a school party
- Persistent misbehaviour which over a period of time is disruptive to good order in the school and has a detrimental effect on the learning of other students
- Violent behaviour towards any member of the school. Other very serious issues

3.10. Investigation of Serious Incidents

The following guidelines are closely adhered to:

3.10.1. Isolate individual(s) using Mentors, SLT and Pastoral Team.

3.10.2. Incidents such as fighting, bullying, theft, smoking, racism and vandalism are investigated and dealt with by the Head of Key Stage. Where possible a second member of staff should be present. Any comments/questions should be focused on what has been reported. The outcome must not be pre-judged.

3.10.3. A written report is completed by the student as soon as possible after the incident has occurred, or where assistance is needed, a member of staff may write the report. This should then be read back to the student and written confirmation of the accuracy of the content obtained before it is signed and dated by the student.

3.10.4. If the incident is C4 or above staff members should detail clearly the incident on KSM.

3.10.5. Where necessary, a written report may be required from a member of staff. Incidents of racism must be logged in the racist incidents file held in the Head Teacher's office.

3.10.6. Searches must only being undertaken by a SLT and where possible, with a second person present. This can be done without prior parental consent.

3.10.7. For very serious incidents such as drug use, large-scale theft, possessing of offensive weapons or assault a second person is present from the start of the investigation, whose role could be to scribe comments and/or ask additional questions. Drug related incidents are reported directly to the member of SLT responsible for the Key Stage and the guidance of the Drugs Education Policy should be adhered to.

3.10.8. Serious accusations against members of staff should be reported immediately to the Head Teacher.

3.10.9. Any Child Protection issues should be reported to the Head Teacher or the member of SLT responsible for Child Protection.

3.10.10. Parents should be contacted, as appropriate.

3.10.11. It is priority to conclude questioning and have written reports on the day of the incident prior to the student(s) being sent home.

3.10.12. By the end of the following day, the final outcome and action is agreed and carried out. However, if additional information and evidence is required, then interim measures may be set in place e.g. Isolation, fixed period of exclusion, while further investigation occurs.

4.	Monitoring and Evaluation	17

1. Rationale

Students respond positively to praise and rewards. Teachers use praise and a variety of rewards to motivate students and to promote considerate, respectful, thoughtful, behaviour. Rewards encourage students of all ages and abilities. At North London Grammar School, the rewards policy is part of the school's strategy to encourage and reward high standards of achievement and effort. It reflects the school ethos, develops a sense of community and enhances students' self-esteem. This policy document offers a structured approach to rewards and applies to all students from KS3 to KS4. To ensure its success there must be:

- a) Consistency with other areas of School Policy, particularly Behaviour Assessment, Recording and Reporting Policy Equal Opportunities Teaching and Learning Policy
- b) Consistent application by all staff
- c) Effective monitoring by senior and middle leaders

2. Aims

- 2.1. To provide a structured system in which effort and behaviour can be recognised and rewarded.
- 2.2. To foster a culture in which staff regularly use praise and rewards to ensure students improve standards of work and behaviour.
- 2.3. To provide a system that is clearly understood and valued by students and consistently applied by staff.
- 2.4. To raise parental awareness of school life and the celebration of student achievement in a cohesive and consistent way and in line with the Rewards Ladder (using KSM, telephone, and text messages).

- 2.6. To give a high profile to rewards using assemblies, notice boards, the school website, classroom displays and house board displays.
- 2.7. To provide students with valued documents as evidence of attainment and achievement.
- 2.8. To involve form teachers, Heads of Keys Stage and Mentors in celebrating the achievements of students in their form/year.

3. Procedures

3.1. Teachers give verbal praise and feedback during and at the end of lessons. This has a positive impact on students' self-esteem and gives them a sense of control over their own learning. Recognising achievement and explaining the next steps to improve learning contributes to effective 'assessment for learning'.

3.2. Merit Points are awarded for reasons specified on the Rewards ladder.

- It is the responsibility of the issuing member of staff to record the merit point in KSM on the day of issue.
- Students keep a record of the merit points they receive on the special 'Merit Point' pages of their Student Planner.
- Students are notified of how many house points they have accumulated on a weekly basis by form tutors.
- The number of house points received is shown on the front page of each half termly report to parents.

3.3. The Head of Key Stage together with the Pastoral Team organise the awarding of bronze, silver, gold and platinum Merit Point Certificates at the end of term

These are awarded for accumulated merit points in end of term assemblies:

3.4. The Head of Key Stage together with the Pastoral Team organise the awarding of bronze, silver, gold and platinum Merit Point Certificates at the end of term

3.5. Head Teacher's Commendations are awarded for

- A consistently good or better standard of work / engagement
- An outstanding single major piece of work/performance/contribution which may far exceed the expectation for the student concerned.

3.6. Attendance Certificates (years 7 – 13) are awarded to students whose attendance is above school target. Students who achieve 100 % attendance are entered into a school raffle and a prize is awarded for each year. The certificates have a value of 10 merit points when accruing house point totals.

3.7. House activities and events also accrue merit points that are dedicated directly to a House

3.8. A curriculum area "star pupil" is nominated every term, recognising effort or improved engagement/attainment in a subject.

4. Monitoring and Evaluation

4.1. Directors of Learning monitor the number of house points issued and awards given each half term. Weekly sheets for each year group will be generated through KSM together with half termly summaries.

4.2. SLT and Key Stage Assistants monitor carefully the consistency with which teaching staff award merit points.

4.3. Assemblies play an important role in publicising the Rewards systems, and reflect the positive ethos of the school.

4.4. The school strives to maintain a balance in its communications with parents and carers writing home to give praise as well as to seek support where there are difficulties. Feedback from parents is sought as part of the school self-evaluation system.
