## Year 11 English Trip

Our Year 11 students had the opportunity last week to watch a touring performance of 'An Inspector Calls' in preparation for their GCSE in English Literature. The show tells the story of the Birling family and their involvement in the death of a young woman, and we were impressed by the way in which the actors were able to make the play come to life. A review from our Year 11 students:

*"We liked that some of the scenes were interactive – the music and special effects made the play dramatic and exciting. It was great to spend time with friends and watch a really interesting, fun performance."*

## Trip to Royal Air Force Museum London

As part of their history lesson Year 6 visited the London RAF Museum. They learnt about the technological advancements as the war progressed and the crucial role of RAF in winning the war. You can see students enjoying their chance to pose in replica clothing as our expert guide described how the pilots protected themselves. We also took the opportunity to go around the remainder of the RAF museum, where our prep students were astounded by the scale and variety of aircraft equipment on show. A fantastic, engaging and informative trip.

**A warm welcome to our new school bus driver Ms Flynn!**

## Reminder

A gentle reminder that school will finish at the usual time on the 28th of September for the Open Evening. Students participating may stay at school supervised by teachers only if the parent has submitted the permission slip, sent via email.

The next day **on the 29th of September, the school will start at 9:40** for all students (both grammar and prep school). Students will go directly to the second period, where the register will be taken.

Thank you to London Met Police for teaching our prep students what to do in an emergency. Lots of curiosity and answered questions!
