MACMILLAN
CANCER SUPPORT £284

Last Friday, the tasty treats were in abundance for our annual Macmillan Coffee Morning. Thank you to our parents and carers for support in helping people with cancer. Special thanks to Deputy Mayor Nagus Narenthira for attending and supporting our event.

Year 3 and 4 Trip to the British Museum

Year 3 and 4 went to the British Museum to see the Ancient Egyptian artefacts. They saw statues of various kings and gods and they saw real-life mummies. As we walked around, children had tasks to complete including comparing sand and coffin burials, discovering the different stages of mummification and they all chose a mummy to draw in detail.

*Maitri said,
 'My favourite part
 was looking at the
 mummies and their
 coffins.'*

*Meryem said,
 'I enjoyed drawing the
 mummies.'*

United Kingdom Mathematics Trust Competition

This week our students participated in the UK Maths Trust Senior competition. Well done to all 10 students that took part! Results will be published in 3 to 5 weeks.

Reminder

Parents should email Ms Rodriguez: Alison.Rodriguez@northlondongrammar.com or call the school office to report absences or lateness.

Open Evening

Thank you to everyone who attended our open evening last week. Our students did us proud.

Staff and Students volunteer to walk to fight Diabetes!

NLGS staff and students joined thousands of walkers in the 12 London Bridges Challenge to support and fundraise for people living with diabetes.

The charity event was to raise awareness on ways to prevent diabetes, support individuals who have a chronic disease, and take action to fight against the disease.

It was a brilliant experience for our participating staff members and students to wear a Diabetes UK t-shirt and collect a Wellness Walk London Bridges medal at the end of their 10-mile walk. In addition, conversations with other participants and their stories inspired many.

Students and staff have signed up for similar charity events later in October and November, including the British Red Cross and Cancer Research UK. We encourage all parents to participate in such events as a family.

10 miles. 12 bridges. One amazing walk. Well done to all that participated or supported the cause with their generous donations!

SPACE WEEK

As part of World Space Week, children researched Science Space facts and got involved in Space activities!

Welcome to all from the Parents Association (PA). The start of the term has whizzed by and we are already planning some exciting projects and events!

New PA Committee

We have a new PA committee that was elected in June 2022. Thank you to all who voted for us. The PA is run by parent volunteers. The new PA aims to support the school to raise funds for charity and help the school organise more social events and improve engagement.

We are in the process of creating our PA year group class representatives on WhatsApp and have a number of parents already representing the association.

Our newly elected executive committee members are Mr Binit Shah - Chairperson, Mrs Jay Hari - Vice Chairperson and Mrs Aqsa Azim - Secretary. We are always happy to meet new parents and welcome you to share your thoughts with us. You can get in touch with us via email on pa@northlondongrammar.com if you wish to be added to your particular WhatsApp class/year group.

Below is a list of committee members comprising of class year group representatives and volunteers:
