Happy  
Halloween

We had  
spooktacular  
costumes at  
NLPs!

Pupils went out for trick or treating! Lots of treats in Ms Gillian's office!

**Congratulations to the amazing students who took part in the @UKMathsTrust Senior Maths Challenge.**

Every participant performed incredibly well, and we are extremely proud of each one of them.

It was a 45-minute online challenge designed to stimulate mathematical problem solving, encourage learners to think outside the box and apply mathematical skills learnt in lessons. The students used all their mathematical expertise to tackle the problems, and their perseverance was a credit to the school.

A massive thank you also goes out to the parents who continue to support their children in their academic and extra-curricular endeavours.

## Challenges met on the climbing wall!

Students went to the climbing wall centre on the last day of the school term. Great to see so many pupils supporting each other at NLGS. Thank you, Mr Shehu and Mr Gokcel, for making this fun experience happen for our students.

## NEW LIGHTS INSTALLED!

Over the half-term holidays, the school maintenance team has been busy fitting new lights in the MUGA; illuminating the school grounds. Our boarding students immediately celebrated with a basketball game.

## CONGRATULATIONS

We congratulate Sauren Yr 9 for competing at the Nepal National Games. He was able to win three bronze medals - 200 backstroke, 200 butterfly and 409 individual medleys.

He was the youngest among the medal-winning boys, as all races were swim in the open category and he was directly competing with senior boys. We hope to see many more achievements.

## CLUBS

The Table Tennis club has started in the school canteen every Thursday till the 15th of December (7 sessions). The club will be run by a former Great Britain Table Tennis player with several years of coaching experience.

KS3 - 3-4 pm

KS4 - 4-5 pm
