Christmas Jumper Day

Merry Christmas and Happy New Year
from NLGS staff

Festive Fun!

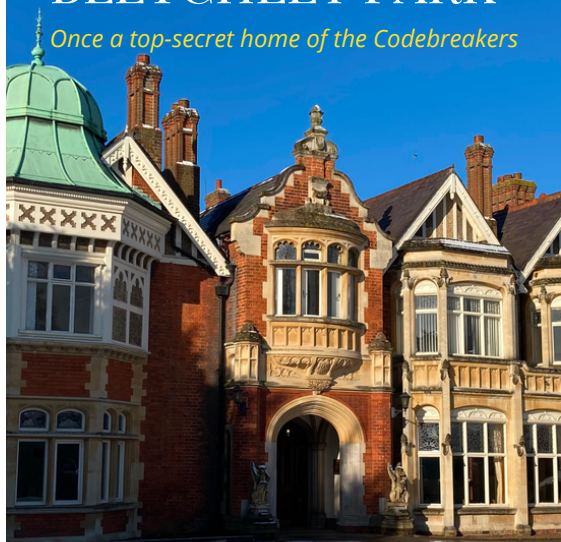

NLPS had a whole bunch of Christmas Art and Crafts activities. The children had a wonderful time with Ms Modha making these snowmen.

TRIP TO BLETCHLEY PARK

Once a top-secret home of the Codebreakers

Our students had a great time visiting Bletchley Park.

They participated in a range of activities, including a guided tour informing them about the history of Bletchley Park. They particularly enjoyed a workshop where they learned about deciphering codes and the significance of the Enigma machine.

OUR CHRISTMAS FAIR

We had a great time at our Christmas fair thanks to the Parent Association, who organised a fabulously festive bonanza of activities including gingerbread decorating, bauble card making, snowball challenge, face painting, photo booth, raffle, games, food and many more!

Beautiful performance by our prep students. We'd like to thank Ms Morgan for organising this memorable moment with the students.

Behind the scenes...

Thank you for supporting the parent association winter fair on 4/12/22. This was a very successful event and the school, together with the PA raised £820 which will be distributed towards other events in the future and also the school's nominated charity.

Trip to Royal Albert Hall

The KS4 students went to see Handel's Messiah perform live at the Royal Albert Hall in London on Wednesday 14th December. This is to aid their understanding of Handel's oratorios as part of the listening paper for the GCSE course.

YEAR 5 TRIP TO THE ZOO

NLPS CHRISTMAS CONCERT

Thank you to NLPS students for putting on a fantastic performance for staff and parents. Well done and special thanks to Ms Morgan and Mr Johnney for their hard work!

Journalism Club

Lovjan (Year 8)
conducted an interview
for the journalism club
with Mr Ezifula, our
English teacher.

Mr Ezifula

One of our new teachers this year is Mr Ezifula, who works in the English department. Our charismatic teacher decided to become a teacher due to his 'love for learning and school,' in which he wanted to 'give back that joy to those who hated school'. Mr Ezifula has a love of learning, and is also keen to teach himself new skills and ways of looking at the world. One of the reasons he became a teacher, he says, is that it enables him to discuss different points of view with his students about English and the broader world too. This hardworking educator decided to join NLGS because, in his words, "I feel the school is a good environment and comfortable since I used to work at a small school, Francis Holland (450 pupils)."

Here are a few facts about this Brilliant English teacher: his favourite book is 'The Count of Montecristo' by Alexandre Dumas and in English, the devoted Mr Ezifula 'enjoys the works of Shakespeare and educating students about it too!' The inspiring mentor has also been to places such as the stunning cities of Krakow, Poland and Porto, Portugal. In the future, he wishes to visit the diverse capital of Tokyo, Japan, and East Asia overall. According to Mr Ezifula, he looks forwards to "Sports day and seeing the students exceeding their expectations this year."

A huge welcome to Mr. Ezifula!
