- 17th Mar: Comic Relief Talent Show
- 17th Mar: British Science Week
- 23 Mar: Yr 9 Trip to Kew Gardens

Holocaust Memorial Day

It was an honour to welcome back to NLGS Hephzibah Rudofsky, daughter of Holocaust survivor Lady Zahava Kohn MBE, who gave an inspiring talk to our students at our assembly to mark Holocaust Memorial Day. She shared her mother's fascinating story and showed the incredible artefacts that her mother and grandmother kept from their time at the Bergen-Belsen camp.

This year's speech was even more meaningful because Zahava sadly passed away last summer.

Author Puneet Bhandal visits NLPS

We were so lucky to be visited by the author Puneet Bhandal at NLPS this week. She delivered a fascinating workshop on how to become a writer and the process of having a book published. Students were very engaged and asked many questions about her writing journey! It was a truly inspiring morning.

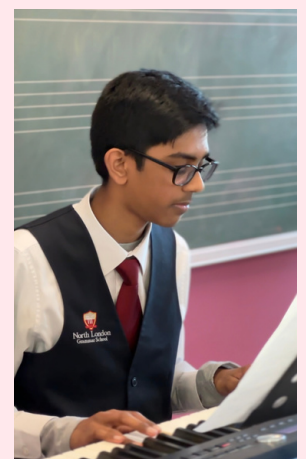

NLGS Basketball Players

This term, basketball fixtures continue. The boys lost the game against London Academy but performed very well. They've learned so much, all while having fun competing against different levels of talent. We wish them luck in their upcoming games.

Lunchtime Concert

Year 11 music students performed their solo pieces as part of their GCSE music coursework during lunchtime for their teachers and peers. Lovely to see talented future musicians.

Year 11 Art Trip

Year 11 Art set visited the Tate Modern to look at Art and Artists whose work might help them as they begin their GCSE exam project.

Our Students were excited by the range of work on display and also the photographic opportunities that the space and location provided.

It was a pleasure to accompany such a talented group and we're looking forward to seeing the Art work that they develop as a result of their endeavour.

NLPS Prefect Speeches Highlights

Congratulations to Ipek and Jocasta, our new prefects

“I would like to organise more activities for the younger years such as catch or football at break and foottimes.”
Jocasta

“I will listen to your ideas and be the bridge between teachers.”
Marti

“Why don't we use leftover food from school meals to turn it into compost? Surely, if we can't have it then plants can, or we could give it to animals by separating the meat and vegetables. Trust me, I tried it with my dog and he loved it.”
Ipek

“If I am voted prefect, I will weave kindness into every school day.”
Emara

“I would work hard to be your voice.”
Akshara

In swimming this term...

Our prep students have enjoyed swimming lessons at Poolside Manor. They have been developing their swimming techniques while becoming more resilient and confident in the water!

Year 8 Theatre Trip

Disney NEWSIES

THE AWARD-WINNING MUSICAL

On Thursday 12th January, Years 8 had the opportunity to witness Disney's NEWSIES, an award-winning Broadway musical with music by Alan Menken, lyrics by Jack Feldman and a book by Harvey Fierstein.

Based on the 1992 Historical Musical Comedy Drama inspired by the real-life New York City Newsboys' strike of 1899, the tale follows the story of a ragged band of teenage newspaper sellers who dream of a better life far from the hardship of the streets. Travelling across the city of New York, they band together and rise against the exploitation of wealthy publishing tycoons and fight for justice and higher pay.

CULTURE DAY

Celebrating Diversity

As part of our focus on inclusivity and celebrating differences, NLGS held a culture day to celebrate the Chinese New Year. Pupils researched their own culture and presented to their peers during form time and were able to wear cultural attire.

There was a parade of cultural dresses and the best-dressed students received rewards. We are privileged to explore and celebrate the vast number of cultures we have in our school.
