- Sun 4th Feb - World Cancer Day
- Sat 10th Feb - Chinese New Year
- Sun 11th Feb - International Day of Women & Girls in Science

Message from Headteacher

Dear Parents, Students, and Staff,

I hope this message finds you in good health and refreshed after the winter break. As we enter the new term, I am delighted to share some exciting updates from the last term and highlights about our school community.

Firstly, I am thrilled to announce that **North London Grammar School is now officially part of the Independent School Inspectorate (ISI) family.** This transition is a significant milestone, and I am confident it will bring new opportunities for growth and development.

Our school also continues to excel in various areas of the **Independent School Association (ISA)**, actively participating in public speeches, art exhibitions, and football and cricket tournaments.

The previous term was busy with inspections from the Home Office, Ofsted, and the Fire Department for Health & Safety. I'm pleased to report that all inspections proceeded smoothly, with no issues raised. This success reflects the dedication of our staff, students, and the entire school community.

I extend my gratitude to the Parents Association (PA) for organising a successful Winter Fair. The £1782 raised demonstrates the strong spirit of our school community. These funds will support Noah's Ark Children's Hospital and the acquisition of sports equipment for our school.

I am proud to share that we had the honour of hosting Mayor Nagus Narenthira and Councillor Gill Sargeant at one of our events. Their appreciation for our school, students, and staff is truly encouraging.

Academically, we've introduced a new curriculum design, seamlessly integrating clubs into the timetable to provide students with a more enriching and well-rounded educational experience.

We've hosted parents as guest speakers, and their contributions are invaluable. I encourage all parents to actively engage with the school and contribute to the vibrant learning community we are building.

Lastly, our GCSE results were outstanding, with 46.61% of students achieving grades 7-9. This is a remarkable achievement and a testament to the collective efforts of our students, teachers, and parents.

Best wishes to our Year 11 students as they prepare for upcoming exams. Your hard work and dedication are commendable, and I am confident in your success.

As we embark on this new term together, let's continue to work collaboratively to foster an environment of learning, growth, and success. Thank you for your ongoing support, and I look forward to another term filled with achievements and milestones.

Thank you,
Best Wishes
Mr Adak

CRICKET TIME

We place a strong emphasis on sports education, fostering a diverse range of athletic pursuits. Our dedicated students hone their cricket skills through rigorous training sessions. We believe in the holistic development of our students, and sports play a vital role in instilling discipline, teamwork, and a healthy lifestyle. As we witness their progress on the cricket field, we're proud to support their athletic journey.

National Table Tennis

We are delighted to share the achievements of our talented table tennis players at the **ISA London North Table Tennis Tournament**, which took place on the 10th of Jan, 2024. The competition showcased exceptional skills and sportsmanship from our students. In the plate competition, **Selim** demonstrated outstanding prowess, reaching the semi-finals. **JJ** also made us proud by making it to the quarter-finals, displaying commendable determination and skill. **Aissulu's** remarkable performance in the group stages secured her a well-deserved spot in the cup competition. We also extend our congratulations to **Siham**, who, after winning several matches in the group stage, successfully qualified for the plate competition. These achievements reflect the dedication and talent within our school community. We applaud our students for their hard work and commendable performances.

Staff Safeguarding Training

North London Grammar School and Prep School recently organized a comprehensive safeguarding training session for our dedicated teaching staff. The initiative aimed to enhance our educators' skills in ensuring a secure and nurturing environment for all students. Led by experienced professionals in child protection, the training covered essential topics such as identifying signs of abuse, implementing safeguarding policies, and fostering open communication. We believe that investing in continuous training not only upholds our commitment to the well-being of our students but also strengthens the school community. The engaging and informative session received positive feedback from our teachers, demonstrating their enthusiasm for maintaining the highest standards of care and safety at NLGS.

North London Grammar School organised a "Time Management" workshop for our Year 10 and 11 students, featuring expert guidance from Elevate Education. The session aimed to equip students with valuable skills to effectively manage their time, aiding in academic success and personal development. The workshop delved into practical strategies for efficient study routines, task prioritisation, and stress management, fostering a proactive approach to academic responsibilities. Students actively participated in interactive sessions, gaining insights into effective time allocation and goal setting. As we continue to prioritise the holistic development of our students, such initiatives contribute to their academic excellence and overall well-being. We extend our gratitude to Elevate Education for their insightful guidance in empowering our students for a successful academic journey.

Peer Reading Programme

Our secondary students are actively mentoring prep school peers in a collaborative reading initiative. This peer reading programme aims to bolster the reading skills of our prep school students, fostering a supportive learning environment where older students guide their younger counterparts through the world of literature.

Grammar School

INDEPENDENT
SCHOOLS
ASSOCIATION

We conducted a successful fire drill on the 11th Jan 2024. The safety and well-being of our students are our top priorities, and such drills are crucial for preparedness. The staff and students efficiently followed the evacuation procedures, demonstrating their commitment to a secure learning environment. We appreciate everyone's cooperation and commend the smooth execution of the drill. Your child's safety is paramount to us, and we will continue to uphold the highest standards of emergency preparedness.

Inset Day - January 3, 2024

Our staff recently relished a valuable Inset Day, enhancing their professional development. This dedicated time allowed our educators to collaborate, refine teaching strategies, and ensured an enriched learning experience for our students.

Year 10 Work Experience:

Our Year 10 students need your help securing work experience in various fields. If you or someone you know can provide opportunities in **Law, Finance, Computing, Design, or Healthcare**, please complete the form by **26th January 2024**:

<https://form.jotform.com/240104760229044>

For inquiries, contact **Ms Fatema Asaria** at fatema.asaria@northlondongrammar.com. Work experience is scheduled for **22nd-26th April 2024**.

NEED TO KNOW

PA MEETING

Parents Association convened for an important meeting on Tuesday, 16th of Jan, 2024. The session was filled with constructive discussions and collaborative decision-making, reflecting the strong bond between our school and the parent community. Topics ranged from upcoming school events to fundraising initiatives aimed at enhancing the students' educational experience. PA plays a pivotal role in fostering a sense of community within our school, and this meeting was no exception. The active involvement and dedication of our parents contribute significantly to the overall success of NLGS.

NLGS GCSE Music Recital Showcases Y11 Talents

We are delighted to announce a GCSE Music Recital on Monday, 15th January, at 4:15 pm in the music room on the 3rd floor. The event, hosted by NLGS's dedicated music teacher, Kayleigh, invites all to witness the outstanding musical performances of Year 11 students. This recital serves as a platform for students to share their musical accomplishments with friends and family, constituting a significant component of their GCSE course. Attendees can anticipate impressive renditions of performance pieces, with the option of audio recording for valuable feedback. Notably, exceptional performances may exempt students from presenting the same piece in the final recordings scheduled for March.

ARE YOU WORRIED?

All adults at North London Grammar care deeply about your health, safety, and well-being. We appreciate all children at our school, and we want to keep you safe and help protect your rights.

All adults at school are trustworthy individuals with whom you can speak at any time; the staff listed below has been carefully trained to assist you and your family.

Maths wizards, stretch and challenge our children in the prep school, based on mathematical concepts they have been learning about. The worded problems allow children to think in an elastic way about maths and give them an opportunity to apply mathematical concepts outside the classroom.

Every week there is a new problem that the children have to solve with their Maths Wizard hat on. Each time they solve a problem, they collect a sticker. After they have solved 5 problems they receive a badge, they must then solve another 5 problems to get the next badge. There are 4 badges to collect - Bronze, Silver, Gold and Platinum - after this they become wizards in training. Once they have solved another 3 problems, they become a Maths Wizard and receive a special prize!

Year 11 Intervention Schedule Spring 2024

Week 1 Please go to your subject rooms for intervention sessions			
Monday	Art	PE GCSE	Music
Tuesday	Geography		History
Wednesday	No intervention		
Thursday	English	Additional Maths (1.5hours)	
Friday	Biology (lab 1)	Chemistry (lab 2)	Physics (CS2)

Week 2 Please go to your subject rooms for intervention sessions			
Monday	Art	Business Studies	Computer Science (Computer Lab1)
Tuesday	Spanish		Psychology
Wednesday	No intervention		
Thursday	English	Maths	Additional Maths (1.5hours)
Friday	Media		

Year 11 interventions are currently underway at , ensuring targeted support for students. Tailored sessions in key subjects aim to enhance understanding and performance, fostering success as they progress through their academic journey. Engage actively and make the most of this valuable opportunity for academic improvement.

Year 10 Interventions

- **Maths Interventions:** Fridays, 4 p.m. - 5 p.m., tailored support for selected students, focusing on those below a grade 4.
 - **English Interventions:** Tuesdays, 4 p.m. - 5 p.m., specialized sessions for students not achieving a grade 4, aiming to boost skills and confidence.
 - **Science Interventions:** Thursdays, 4 p.m. - 5 p.m., rotating sessions covering physics, biology, and chemistry for students below a grade 4.
- Continuous progress monitoring may lead to interventions in other subjects. Encourage active engagement with homework and recommended learning platforms for comprehensive development.

Intervention

Pedestrian Gate

NEED TO KNOW

Pedestrian Entrance Advisory: When arriving at school on foot, kindly use the pedestrian door for a seamless entry experience. There is a buzzer next to the Pedestrian Entrance for calling the school receptionist

Gentle Operation: The pedestrian door opens gradually; please refrain from physically engaging with it to ensure the smooth functioning of the automatic system.

Vehicle Entrance Caution: If you are not coming by vehicle, please avoid using the vehicle entrance and use the designated pedestrian entrance for convenience and safety. Your cooperation ensures an efficient and secure entry process for all.

INTERNATIONAL GREENWICH OLYMPIAD

VOLUNTEER JUDGES NEEDED

We are seeking volunteers to judge our participants' face-to-face and online projects.

- **Parents** are invited to participate as judges for the Olympiad.
- **Friends and relatives** of parents are also welcome.
- **Colleagues of parents** have the opportunity to contribute as judges.
- **Recommendations for potential judges from parents** are encouraged, and you can provide names/email addresses for consideration.
- Additionally, parents are encouraged to assist us in various aspects of the Olympiad.

Online judging:

Saturday 1st June 2024
10:00 am – 5:00 pm

Face-to-face judging:

Tuesday 11th June 2024
10:00 am – 5:00 pm

Extra-Curricular Clubs

Prep School Clubs

Table Tennis

MONDAY

Table Tennis Club is open to all Prep children regardless of their current level of experience. Whether you are a beginner or have been playing for years, you will find this club to be an excellent opportunity to improve your table tennis skills and learn new techniques in a fun and engaging environment.

LEGO

CLUB

TUESDAY

In Lego Club, you'll team up with other clubmates to take on a variety of exciting building challenges. It's not just about stacking blocks; it's a fantastic journey that will help you enhance your fine motor skills, learn to work together as a team, solve tricky problems, and develop the incredible power of resilience.

Chinese Language and Culture Club

Join our thrilling Chinese Language and Culture Club and set off on an incredible journey to explore the wonders of China! In this club, you'll have a blast as you learn essential phrases and characters through engaging games, catchy songs, and interactive activities, unlocking a whole new world of communication.

Netball Club

WEDNESDAY

Netball Club is a great opportunity to enhance your Netball skills, whether you are a beginner or looking to advance your abilities.

During club sessions, students will receive instruction in fundamental skills, learn how to apply these skills in a game situation, and further their interest to compete in matches against other schools in the future.

DUNGEONS & DRAGONS CLUB

Thursdays

Dungeons & Dragons is a collaborative storytelling game in which players can create their own characters and set out together on a fantastic adventure. One player takes the role of the Dungeon Master (DM) - which will be Mrs Modha - and guides the story, describing its settings and inventing challenges for the other players' characters to overcome.

Football Club

THURSDAY

Our Football Club is a fantastic opportunity for children to enhance their football skills through a series of engaging exercises and drills while having a blast.

Friday clubs

CHESS CLUB

In this exciting club, students will not only learn the game of chess but also engage in friendly competitions, fostering a spirit of teamwork and healthy competition. It's also an opportunity for children to sharpen their problem-solving skills and make strategic decisions, all while having a blast!

Dance and Yoga Club

In our club, you'll get the chance to explore modern dance moves, helping you express yourself creatively while improving your motor skills and balance. Through exciting pair work and teamwork activities, you'll develop your dance skills as well as your ability to collaborate with others.

Club

Quiz Club is a fun and exciting platform designed to ignite the curiosity of young learners and feed their knowledge-hungry minds!

In this engaging club, children will discover the wonders of the world around them through quizzes. These quizzes will challenge them with a variety of general knowledge and themed questions, encouraging exploration, learning, and growth, working independently or in teams.

Board Games Club

We are thrilled to announce the launch of our new Board Games Club! It's a fantastic opportunity for our young minds to engage in fun, social activities that promote teamwork and critical thinking. We look forward to an exciting journey of board game adventures with your children!

Arts and Crafts Club

Are you ready for an exciting journey into the world of art and imagination? Our Arts and Crafts Club is the perfect place for you to discover the joys of creativity and self-expression.

TfL
CITIZENS

PRESENTED BY Transport for London

As our year 6 transitions to secondary school, we understand that they will become more independent in travelling home by themselves. We were fortunate enough to have a TfL member of staff on the 16th of Jan, 2024, to provide them key information on how to be safe when, getting to know their zip cards, as well as the benefits of active travel.

Tate Modern Visit

On the 15th of Jan, 2024, Year 11 Art students from North London Grammar School embarked on a visit to **Tate Modern**, igniting their GCSE exam preparations. Despite the brisk weather, the group explored the renowned Yayoi Kusama Infinity room, a highlight of the day. Sanaa humorously remarked on the cold, likening it to temperatures in Poland along the Thames. The students found inspiration throughout the gallery, capturing moments with numerous photographs.

The outing concluded with skyline sketches, reinforcing artistic concepts. As the term progresses, the school encourages Year 11 to persist in their efforts, expressing gratitude to Mr Eziefula for his unwavering support.

Prep School Football Club

We are pleased to announce that our football club, helmed by Mr Johnney, takes place every Thursday!

Movie Night

In a splendid event on January 19, 2024, students indulged in a delightful Movie Night. The school's auditorium came alive with laughter and excitement as students enjoyed a cinematic experience, making the evening a resounding success!

UKMT Intermediate Mathematical Challenge

We're excited to share that many of our students have been selected to represent our school in the upcoming UKMT Intermediate Mathematical Challenge on January 31st. This online event, lasting 60 minutes with 25 multiple-choice questions, provides a platform for students to showcase mathematical prowess. Participation not only hones problem-solving skills but also aids preparation for key exams like SAT Math Level 2 and ACT Mathematics, as well as university admissions tests like Oxford's MAT and Cambridge's STEP.

10 Great Reasons to become a scientist or engineer

1 Develop all this...

- Artificial limbs for the injured and medicine for diseases like Ebola
- 3D games consoles and solar powered laptops
- Make-up that automatically matches skin tone
- Systems to reduce the risk of flooding
- Driverless vehicles and spacecraft for future tourists
- Smart fabrics with in-built digital technology
- Supercomputers that predict the effects of climate change

...and more

2 Work in your favourite industry

From food, medicine and renewable energy to sport, film and music – scientists and engineers are needed everywhere

3 Earn great money

On average, engineering apprentices earn over double the national minimum apprentice wage.

Minimum apprentice wage

Engineering apprentice wage

The average starting salary for people with engineering and technology degrees is 20% higher than for all graduates.

4 Make a difference

Help tackle some of the world's biggest challenges, like responding to natural disasters, improving cyber security and developing clean energy sources.

5 Be in demand

The UK needs over 2 million new scientists, engineers and technicians by 2022.

6 Choose your own route

Go to college, do an apprenticeship, get a university degree or combine all three.

7 Have your pick of future careers

Capture tidal energy, design a robot, discover a cure for cancer... or do a job that doesn't even exist yet!

Continuing with maths and science – especially physics – keeps your options open for as long as possible for jobs in science, engineering, technology, law, business, space, architecture and much more.

8 Travel the globe

Work in dynamic teams with people from different backgrounds, all over the world.

9 Gain respect 10 Design, create and innovate

Be remembered for your work and go down in history for designing incredible structures, making awe-inspiring advancements in technology, discovering planets or identifying crucial genetic codes.

Subjects like design and technology, art and computing can help pave the way to careers that revolutionise the way we live.

Take our short quiz to discover your crew and gain careers inspiration. thebigbangfair.co.uk/whoscrewareyou

British Values Assembly

Milan, Stefan, Muhammed, and Sami led an assemblies on British Values on the 17th and 19th of January 2024, orchestrated by Mr McNamara.

The sessions, which featured a quiz, delved into fostering respect and tolerance within the classroom, school, and wider community. The quartet engaged students in a thoughtful discussion on the practical ways to uphold these values, exemplifying the school's commitment to instilling essential principles. The interactive sessions resonated well with students, showcasing the school's dedication to instilling these values in a meaningful way.

Student Council Meeting

On January 15th, North London Grammar School's Student Council convened, fostering a collaborative space for students to discuss vital school matters. Topics ranged from proposed school initiatives to individual student concerns, reflecting a comprehensive exploration of issues affecting the student community. This meeting aimed to amplify the student voice, emphasizing its role in shaping the school environment.

The Student Council reflects the school's commitment to inclusivity and student involvement, providing a valuable platform for meaningful discussions that contribute to the ongoing development of a vibrant educational community.

Staff Well-being

We conducted successful Staff Well-being days on the 10th and 17th of Jan. We gathered for a meaningful and uplifting experience, fostering camaraderie and sharing moments of joy. It provided a valuable platform for colleagues to connect, enhancing our school's sense of community. As we continue to prioritise the well-being of our staff, such initiatives contribute to a positive and supportive work environment.

What to do if you don't feel safe with adults who work or volunteer with you.

Caring for people, our places and the planet

You will not be in any trouble for telling the truth and you will be told what is going to happen next.

This leaflet has been designed with help from children and young people from the Youth Assembly

The LADO

The Local Authority Designated Officer (LADO) will decide with the police if there is a criminal investigation needed.

If not, the LADO will ask the employer of the worker / volunteer who has made you feel worried or hurt, to carry out an investigation.

- You may be spoken to again for more information.
- You will then be told what is likely to happen next.
- Adults will work together to make sure that whatever made you feel unsafe or uncomfortable, does not happen again.

Who to tell

Tell a parent or carer

- Tell an adult you trust
- Tell another adult who works in the same place
- Call the police or 999
- Call Childline on 0800 1111
- Call the Multi-Agency Safeguarding Hub (MASH) on 020 8359 4066 (9 to 5pm) or the Emergency Duty Team on 020 8359 2000 (5pm to 9am)
- Websites: help@NSPCC.org.uk MASH@barnet.gov.uk

What will happen next

Concerns raised by a child or young person are called an allegation. Allegations should be taken seriously and listened to.

Your allegation will then go to the head of the organisation or the safeguarding lead. They will decide if it should be referred to the LADO.

What to look out for

All adults and volunteers are different but if an adult is making you feel uncomfortable by:

- Constantly picking on you
- Wanting to spend time with you on your own
- Being physically or verbally aggressive to you
- There might be other reasons you feel worried or hurt by an adult in a position of responsibility

If any of these have happened, please speak to someone who can help.

Most adults who work or volunteer with children and young people do a great job.

However, sometimes an adult will make a child or young person feel worried or unsafe.

If this happens to you, we want you to tell someone.

This leaflet will tell you what to do, what to look for and what will happen next.

NLGS Secures Bursary for Oxford MUN Conference

Exciting news! Following the success of our students at the Oxford Global MUN conference this past November, our school has secured an invitation to the next event that will take place 2-4 February 2024. Furthermore, as with the previous competition, our students have been rewarded a bursary to cover 2/3's of the participation cost. Thanks to our teacher's efforts, students can now participate for just £90, including travel, accommodation, and dinner.

We've also arranged a fantastic deal with EasyHotel. The overall trip cost is £250, covering all essentials for 2 nights and 3 days.

This is a great opportunity for our MUN club students to engage with high-level academia at St Anne's College surrounded by Oxbridge students who will host the debates.

Hip-Hop Literacy workshop

In the midst of using music as a way to communicate ideas and stories, hip-hop has become one of the most popular genres that resonates on a diverse scale.

Recently, BREIS, a music artist based in South London, presented a workshop that learns more about the origins of Hip Hop culture and the history of rap.

It was also a moment where students got to brush up their writing skills creatively. It was also a moment where students would get a hold of BREIS self-titled book, **Brilliant Rappers Educate Intelligent Students**. The book details the inspirations for his music and the lyrics incorporated.

This program effectively promotes music and highlights storytelling in all genres, be it spoken or instrumental.

More Able and Talented Program

We're introducing a new program at our school for our **More Able and Talented students**. Ms. Chimentepe, our senior school Science teacher, is now the coordinator for this program.

The More Able and Talented Program aims to recognize, support, inspire, and challenge students in both the Prep School and Senior School. She will be actively working on developing our approach, ensuring all our students can achieve their maximum potential.

We aim to create strategies to enrich the learning experience beyond the classroom, empowering students to excel and become well-rounded individuals.

We kindly request you to complete the parent survey by **Friday 26/01/2024**.

Parental Insights: Survey for Children's Unique Talents and Abilities

Your insights will contribute to our efforts in recognizing and nurturing the unique talents and abilities of our students.
