Year 11 pupils celebrated an exceptional set of GCSE results! A proud day for North London Grammar School's pupils, families and teachers. A huge well done to the graduating class of 2025 who demonstrated determination, creativity and resilience, resulting in a set of results that reflected their potential. This year's outcomes are exceptional, cementing our school's dedication to all round academic excellence.

50% were grades 7-9 (the equivalent to A* and A result)

93% were grades 4-9 (the equivalent to A* to C result).

The strength of our curriculum and approach to learning is demonstrated by superb results across a wide range of subjects.

Core subjects English excelled with 100% of students achieving a grade 4 or above, closely followed by Maths at 98%.

Our science department led the way with a great performance, securing a 100% pass rate (grades 4-9) in Chemistry, Physics and Biology.

History students shone with 100%, while Business Studies and Computer Science achieved 95% at grade 4- 9. Art, Craft, and Design students achieved 100% for grades 5-9.

Reflecting our diverse community, students achieved spectacular success in numerous modern languages. We saw a 94% pass rate for grades 7-9 in MFL (Modern Foreign Languages).

Armed with these strong results, our newest alumni are now preparing to pursue A'Level studies at leading institutions such as; Watford Grammar School, St. Dominic's Sixth Form College, and Woodhouse College.

Congratulations to each and every Year 11 pupil.
